

25

year
warranty
on ALL DOYMA products

CERTIFICATE

In addition to the legal rights of the customer, DOYMA will guarantee the proper functioning of your DOYMA product for 25 years from the date of purchase. The cut-off date of validity is 01/01/2007. If the DOYMA product nevertheless fails during this time due to a deficiency of the product and you suffer consequential damage as a result of the defect, DOYMA will:

- Replace the defective DOYMA product.
- Reimburse the necessary installation and removal costs up to a maximum amount of €10,000 upon prior consultation with DOYMA. DOYMA reserves the right to carry out the necessary work itself or have it carried out by a reliable third party, within the maximum amount.
- Reimburse up to a maximum sum of €100,000 in each case any damage to your property resulting from a deficiency of the DOYMA product, especially damage caused by water ingress, and the necessary repair work, especially any required drying, painting and masonry work, upon prior agreement with DOYMA, to the extent that the damages were foreseeable for DOYMA. DOYMA reserves the right to carry out the work required to eliminate the damage or have the work carried out by a reliable third party.

This warranty is valid only in the event that the DOYMA product is actually defective; it is not valid where the failure of the DOYMA product can be attributed to the fact that the product was installed or used contrary to generally recognised standards of good practice or contrary to our installation and usage guidelines. The warranty shall also not be applicable if the failure of the DOYMA product can be attributed to product damage caused by you. If you cannot refute a reasoned objection from DOYMA that one of the aforementioned grounds of exclusion is applicable, the warranty shall be considered void.

The warranty can only be asserted upon presentation of the invoice for the contested DOYMA product. Without this invoice it will not be possible to assert any rights from this warranty.
