

FOR BUILDINGS **WITHOUT BASEMENTS**

HKD building owner's disposal package

Perfect for the floor slab: HKD KG sewer floor element or wall collar

APPLICATION

The **HKD building owner's disposal package** is used for sealing the disposal pipes in **floor slabs made of waterproof concrete that are still to be created (white tank)**.

The packaging units are designed for the number of units required as standard: choice of two or three items.

PRODUCT ADVANTAGES

- Meets the requirements set out in DIN 1986-100
- Easy and safe to use
- Can be combined with any conventional KG sewer pipe systems

The HKD range is excluded from the DOYMA 25-year warranty.
