

# Quadro-Sicura® multi-compartment building owner's package Eco

FOR BUILDINGS WITH BASEMENTS

NEW: now with gas building service seal (RMA + Schuck)

## The space-saving solution: Quadro-Sicura® Nova 1/wide

### APPLICATION

Multi-compartment house lead-in with sealing on both sides. Additional seal flange on the outside wall in accordance with DIN 18533 for sealing tanking membranes (black tank). Also suitable for waterproof concrete core bores and twin/element walls. The package includes the building service seals, which are to be installed on site.

### PRODUCT ADVANTAGES

- DVGW-approved products as per VP 601 (B1)
- The Eco version can be individually extended using available accessories
